File Number: 20190432

Dear Requester:

Reference is made to your Freedom of Information Act (FOIA) request, originally submitted to the United States Secret Service (Secret Service) on February 11, 2019, for information pertaining to any and all information relating to the 2017 theft of a laptop from Agent Marie Argentieri, with information connected the following: "The laptop contained plans to Trump Tower, the building on Manhattan's Fifth Avenue that includes Trump's New York City residence, CNN and TMZ reported. The computer also contained information connected with the e-mail investigation related to Hillary Clinton, reported CBS2. The thief also made away with lapel pins connected with assignments tied to Trump, the Clinton campaign, the Pope and the United Nations General Assembly, according to the news organization."

In response to your request, the Secret Service has conducted a reasonable search for responsive documents. The Secret Service searched its main indices, and any responsive records identified in connection with that search have been located and forwarded to this office for review and a disclosure determination. They will be processed in accordance with the Freedom of Information Act, 5 U.S.C. § 552, and mailed to you upon completion.

As referenced in our initial response, due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. However, we are processing your request as expeditiously as possible.

Your request has been assigned FOIA File No. 20190432. If you have any questions, would like to discuss this matter, or check the status of your request, please contact this office at (202) 406-6370.

Please refer to the file number indicated above in all correspondence with this office.

Thank you,
